Applicants to the PhD program in Epidemiology must have taken one semester of college biology and one semester of calculus. Please record the semester and course number where we can find the calculus and biology pre-requisites satisfied. If calculus is not included in the course title you record as meeting this application requirement, please email the course syllabus to Jena Black at jena.black@emory.edu.

blah blah

In addition to TOEFL for foreign trained applicants we strongly recommend submitting the WES course by course evaluation.
