

Campus Map of the WoodPEC Area

- Parking is free in **both Peavine parking garages**.
 - Note: the open air Peavine lot may also be open, but it may require a ticket and may charge a fee if you lose the ticket. We advise using either of the two garages.
- You can drop off participants or guests right outside the building, noted as “Accessible drop-off.” LGS staff will be there to help. That area has no parking, so after dropping off, you will need to park the car in Peavine.
- You enter WoodPEC on the 2nd floor. The ceremony is on the lower level, 1st floor, of WoodPEC. There are elevators and stairs in the middle of the building.
- The reception will be on McDonough Field. For an accessible path, walk straight out of WoodPEC, around McDonough Plaza, and the enter the Field next to the stage.
